Family Fun Night – Save the date of Friday, March 5 for Home & School's Family Fun Night. This event will be held at 6:00 p.m. in the FEC. Start saving gently used items from your house to wrap and use as prizes for Bingo. A spaghetti supper will be served – be sure to return your RSVP form!

It's Preregistration Time – Be sure to complete and return your family's Preregistration Form and Fees on or before **this Friday, March 5**. We are receiving many outside inquiries – be sure to reserve a spot for your children!

Lower School Helping Hands Program Needs You – Helping Hands meets once each month at the Lower School to assist our teachers with various projects, copying, cutting, sorting, etc. Help is always needed – just drop in when you are able! This is a great way to fulfill Service Hours, too!

Family List Update – Annika Benton (Grade 1) and her family have a new phone number. Their new number is: 456-6011. Please make a note of this change on your Family List copy.

Service Hours – Be sure to return your Record of Service Hours once you have completed six hours for this school year. (If you no longer have the form, just use a piece of paper.) **40.6% of our WLS families have completed their Service Hours for this school year!**

A Note from Coach Robin Jacobsen – I would like to thank my players and their parents for the gift card. It will be used this week – my wife deserves a night out. I thank everyone for the support that was given to the A Boys' team during a season that was trying at the start, but very rewarding in the end.

Another Note from Coach Jacobsen – Thanks to the volunteers that worked the Lancer's Lakeshore Invitational Tournament this past weekend. With your help, it was another successful event. Special thanks to Sarah Petrick, Lori Trevino, and their families. Next year will be even better!

WLS Basketball Report

Congratulations to our Boys' B team who took 2nd Place (Consolation) in the Concordia Tournament.

Reminders from the Parent Handbook

Since the second semester of the 2009-10 school year has begun, it is time for our WLS families to be reminded of some things:

- ***Electronic Equipment and Cell Phones should be placed in the students' backpacks prior to entering school premises. Students should not enter (or leave) the building using cell phones, playing games, or listening to music. "School premises" means the buildings and the playgrounds. Devices that are brought to school should remain in the student's backpack or locked locker. (See Page 11 in the Parent Handbook)***

Thank You!

Linda Evans – for providing treats for the Faculty Meeting

Grade 7 "Shadow Day" Drivers – Annie Berry, Brian Lash, Sylvia Schimanski, and Shelley Zarling

Kathy Johnson – for donating file pockets to the Office
